

MARIE SPREITZER

ABOUT ME

Treptowerstraße 65A, 12059 Berlin

spreitzermarie@gmail.com

+43 664 366 4561

June 18th 1997

Born in Vienna and currently continuing my journey in Berlin as an Interaction Design student, hoping to work with great people in the digital world. On the one hand I like to bring my own ideas to the table and take responsibility and on the other hand it is easy for me to follow certain instructions. I see my interpersonal skills as one of my greatest strengths, because my good mood will put a smile on your face.
